Calea has over 30 years experience at the heart of homecare, providing patients with a reliable, convenient and professional service. Calea offers a range of services, in partnership with hospital clinical teams.

Calea is a registered pharmacy with over 30 experienced and qualified pharmacists, technicians and dispensers.

Calea is part of the Fresenius Kabi organisation and together we share the vision of “Caring for Life” by striving to improve the quality of life of patients both in hospital and at home.

The patient experience

* 99%

of patients said they would recommend the Calea homecare service to a friend or family member

* 97%

of patients said their nurse is always polite, respectful and helpful
